We cannot thank the creative team at ARS enough for the professionalism and enthusiasm they put into creating promotional materials. In addition to the Art Fair Guidebook, they’ve demonstrated an incredible ability to continually go above and beyond what’s expected of them, and we truly appreciate everything they do! Thanks to ARS, a Premier Sponsor of the Krasl Art Fair on the Bluff!

Our heartfelt thanks to Batson Printing for their sponsorship and printing of this Art Fair Guidebook and all of the Krasl Art Fair on the Bluff marketing materials. We also want to recognize Marguerite Batson, whose husband Henry Batson was the founder of Batson Printing, as one of the first Art Fair artists. She was a painter and exhibited for many years. It is in her honor that Batson Printing is a proud Premier Sponsor of the Krasl Art Fair on the Bluff.

Thank you to our 400-plus volunteers who make the Krasl Art Fair on the Bluff possible every year. A special thank you also goes to our sponsors. These businesses, organizations and individuals commit their precious resources to support the Krasl Art Fair on the Bluff.

FROM THE KRASL ART CENTER

Welcome to Southwest Michigan!

It is a pleasure to have you join us for the 57th Krasl Art Fair on the Bluff. This gathering of 200 professional artists is possible thanks to the generous community members and organizations who contribute time, financial support and resources to make the event possible. We sincerely thank our sponsors, partners and volunteers for their tremendous support.

When you consider purchasing artwork at the Art Fair, you have the unique opportunity to get to know the artists, learn what inspires them, and understand how they create. As with all professionals, they have invested time, education, and resources to bring to you the hand crafted objects you see. Buying from the artist directly supports the artists’ small business. And, enjoying handmade objects, whether functional or decorative, is like having a part of your new artist friend in your life each day. Enjoy shopping the Art Fair this weekend!

Have you noticed a few changes on the Krasl Art Center campus? The long planned Sculpting Community project has already begun. Upon completion this fall, the newly designed Art Center campus will feature spaces to gather, connect, and make new memories. All of this is grounded in the arts and developed around a site-specific, monumental sculpture by Richard Hunt coming this fall. Please visit facebook.com/sculptingcommunity and krasl.org to stay up to date on the project. Consider being a part of it by making your gift at the Art Center or online.

Through your support of creative endeavors, together we Inspire Meaningful Change and Strengthen Community through the Visual Arts.

Julia Gourley
Krasl Art Center
Executive Director

EXHIBITIONS
The Krasl Art Center provides residents and visitors the opportunity to experience art through high-quality exhibitions. Exhibitions are scheduled year-round and allow our members and community to view new, exciting, thought-provoking artwork every month. The art lab gallery is dedicated to art that is off the wall, off the pedestal and into the space. Artists use the entire lab to present experimental projects. All exhibitions are free and open to the public.

PUBLIC SCULPTURE
The Krasl Art Center has a permanent collection of 45 sculptures, many of which are placed outdoors on art center grounds, along local waterfronts and throughout the region, spanning from New Buffalo to South Haven. Artists in the collection include David Barr, Dale Chihuly, Michael Dunbar, Richard Hunt, Indira Freitas Johnson, George Rickey, and Kenneth M. Thompson, among others. A map of sculpture locations is available in the Krasl Art Center and at welcome/information tents.

THE SHOP
The Shop is a memorable destination featuring unique and handmade pieces. Our artful merchandise includes jewelry and other accessories, household items, ceramics, books, cards and more! The Shop is located inside the Krasl Art Center.

IT TAKES A VILLAGE
Thank you to our neighbors and community for generously sharing their neighborhoods with the hundreds of artists and thousands of visitors who attend the Krasl Art Fair on the Bluff this weekend. Your hospitality is noticed and appreciated!

EXPLORE & EXPERIENCE
As you delve into the Art Fair and guidebook, you’ll find categories listed under the artists’ names. These categories help the Art Fair team work toward a diverse show and allow the Krasl Art Center to present awards based on scores given by a professional jury. The categories are generalized; some artists could fit into many categories, while some don’t fit exactly into any. They are intended only as a guide. Following, you’ll find a general description of each of the eleven categories.

CLAY
Fired pieces constructed using clay. They can be thrown, hand-built, or cast in artist-made molds. Objects are decorative or sculptural, and may or may not be utilitarian in function.

DIGITAL
Original work created using computer programs to significantly manipulate or alter source material(s), such as scans or digital files.

DRAWING (including mixed media 2D)
Artistic creations using chalk, charcoal, pastels, pencil, wax crayon, or from the fluid medium of inks and washes applied by pen or brush. May use more than one basic material or object, or a combination of multiple mediums.

FIBERS
Materials crafted from fibers including basketry, embroidery, weaving, leatherwork, tapestry, and papermaking. May be wearables or decoratives.

FUNCTIONAL 3D
Functional objects such as furniture, vessels, and toys created from wood, metal, stone, or other materials.

GLASS
Glassworks that are functional or decorative by design and are kiln-formed or crafted by glass blowing, molding, casting, or stained glass. Works may be etched or engraved.

JEWELRY
Wearable ornaments that are handcrafted from precious jewels and metals, semi-precious stones, clay, polymer clay, glass, fiber, paper, pebbles, wood, lab created gems, and found objects.

PAINTING
Artistic creations using paint—acrylic, oils, or watercolors (including egg tempera)—on an appropriately prepared 2D surface.

PHOTOGRAPHY
From film and/or original digital files, pictures made from the artist’s original image.

PRINTMAKING
A transfer process producing original art, usually in multiples, which are hand manipulated by using etching, engraving, silk-screening, stone and plate lithography, linoleum block, or woodcut which have been properly signed and numbered as a limited edition of 250.

SCULPTURE
Figurative or abstract 3D decorative works using traditional stone, wood, clay, metal, or mixed materials.

BOOTH NUMBER GUIDE
Look for a unique booth number in the following artist guide. A map of the lake bluff on the back cover will help you locate the numbered booth of your favorite artists.
